(c) and (d) The Ministry of Environment and Forests has taken steps for safeguarding various concerns of wildlife in the rules being framed under "The Scheduled Tribes and other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006"

Targets for afforestation

1869. SHRI M.V. MYSURA REDDY: Will the PRIME MINISTER be pleased to state:

(a) whether Government have fixed any target for afforestation in the country; and

(b) if so, the details of progress and achievements made in this respect?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI S. REGUPATHY): (a) and (b) The targets for tree planting were being, fixed under two mutually exclusive parameters, namely Point 16 A (Tree plantation on private lands-number of trees planted) and Point 16 B (Area covered-public and forest land, Hectares) of the Twenty Point Programme-1986. The target and achievement during 2006-07 were as under:–

Year	Point 16 A (Tree plantation on private lands) Number of Trees planted in lakhs		Point 16 B (Area covered under plantation-public and forest lands) Area in hectare,	
	Target	Achievement	Target	Achievement
2006-07	15010	13218.49	18,70,000	1,16,55,727

The targets for tree planting under revised Twenty Point Programme-2006 for the year 2007-08 areas given below:–

Point 52 (a) : Area covered under plantation public and forest land-18,60,000 hectare.

Point 52 (b) : Number of seedlings planted on public and forest land (Number):– 12,090 Lakh

National environment mission

1870. SHRI M. V. MYSURA REDDY: Will the PRIME MINISTER be pleased to state:

(a) whether Government have launched any National Environment Mission in the country;

(b) if so, the details thereof; and

(c) if not, the time-frame within which the mission would be launched?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI NAMO NARAIN MEENA): (a) No, Sir.

(b) Does not arise.

(c) There is no proposal at present to launch national environment mission. However, a nation-wide campaign called the National Environment Awareness Campaign (NEAC) is conducted every year with the objective of creating environmental awareness at the national level. Eco-clubs in schools are also supported under the National Green Corps programme regularly.

'Vangrams' in M.P.

†1871. SHRI LAXMINARAYAN SHARMA: Will the PRIME MINISTER be pleased to state:

(a) the number of 'Vangrams' situated in Madhya Pradesh alongwith the action being taken in respect of transferring these 'Vangrams' into revenue villages of the State of Madhya Pradesh; and

(b) by when these 'Vangrams' would be notified as revenue villages?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI S. REGUPATHY) (a) and (b) There are 893 'Vangrams' (forest villages) situated in the State of Madhya Pradesh. Government of India. has accorded in-principle approval for the conversion of 310 'Vangrams' into Revenue villages. However, further action in this regard could not be taken up due to the Hon'ble Supreme Courts orders dated 13.11.2000 banning de-reservation of forests. In view of the orders of the Hon'ble Supreme Court dated 13.11.2000, the State Government of Madhya Pradesh has been advised that the proposals for conversion of forest villages into revenue villages shall be processed by the Central Government only after the State Government of Madhya Pradesh obtains the permission of the Hon'ble Supreme Court, or after a final judgment is delivered in the matter by the Hon'ble Court.

Controlling pollution

1872. SHRIMATI HEMA MALINI: Will the PRIME MINISTER be pleased to state:

(a) whether Government are aware that species one after another are being wiped out, forest cover is dwindling and pollution is becoming a major health hazard;

(b) if so, whether Government are considering any firm step to conserve on war footing, rebuild rural forestry and empowering pollution control board to proactively regulate pollution in order to provide clean water, air to all living being including all citizens; and

(c) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI S. REGUPATHY): (a) Pollution is becoming health hazard but forest cover is not dwindling in India. There have been reports that over the past fifty years, there has been a loss in the biodiversity throughout the World.
